PAPER DOYPACK

These DoyPack paper bags with window are ideal for displaying the contents without having to open the packaging. This is important as 40% of consumers believe it is important to see the food inside before they buy. This is a decisive factor compared to a competitor's completely opaque product.

Don't hesitate and choose from the different sizes available!

ADVANTAGES

- Easy-open for easy and continuous use.
- Protects foodstuffs such as coffee and tea from moisture and air.
- Transparent window that allows you to see the contents.
- A more ecological option and an alternative to traditional plastic bags: renewable and reusable, they are a step towards sustainability. They stand out for their wide variety (multiple applications and sizes).
